REMARKS

***Support for Amendments to the Claims and Good and Sufficient Reasons
for Entry of the Amendment***

The change in lines 2 and 3 of the text block seeks to correct an obvious error in the original table, which omitted the number of each Example in which each of the two silicone resins Morkote® S-101 and Silres® 604 were actually used.

The change in line 5 of the block of text seeks to properly identify a trademark and a source of goods covered under the use of the mark "POWDERLINK".

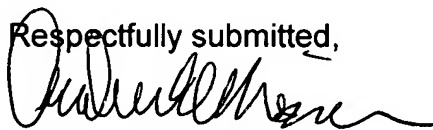

Upon entry of the instant amendment, Claims 1-10 will stand allowed in the instant application. No new matter is added by the instant amendment.

CONCLUSION

Based on the foregoing, it is submitted that the instant amendment is enterable under 37 CFR rule 312(a). An early entry of the amendment is earnestly solicited.

If any fees are found owing, please charge applicant's deposit account number 18-1850. If the Examiner has any questions or concerns, he is urged to contact the undersigned at the number given below.
